

GROUP SPECIAL HUNT SUBMISSION

- Special hunt submissions are a two-step process.
 - You must first purchase an application. Then, you must submit your application.Submission dates: April 28-May 28
- You can submit as an individual, group leader, or a group member.
- When applying as a group, each member must be eligible for the hunts that the group is applying for.
- If the group application is selected for permits in the drawing, all the hunters in the group receive a permit and each hunter can take an animal.
- The points accumulated by each hunter in the group are averaged and applied to the group app.
- The maximum group sizes for each species category are as follows:
 - o Deer & elk= 8
 - o Bear & cougar= 2
 - o Goat, moose, & bighorn sheep= 2
 - o Turkey= 4
- Each group must have a leader. The leader must be established first before others can join the group as members.
